### Douglas Announces New Program of Scholarships

Educational grants and scholarships totaling more than \$130,000 for the 1956-57 school year have been announced by Douglas Aircraft Company.

Recipients of scholastic aid under a three-fold program now are in the process of selection, it was announced by A. E. Raymond, Douglas vice president-engineering.

Perhaps the most far-reaching activity of the educational assistance program involves distribution of \$26,750 in scholarships and fellowships to various colleges and universities throughout the country.

The scholarships, for undergraduate work, range from \$750 to \$1000, and the fellowships, for graduate study, are from \$1800 to \$2000.

In each instance the selection is made by college or university officials on the basis of scholastic ability and need, with the element of aeronautical or mechanical engineering desirable but not mandatory.

After selection by the educational institutions, the nominees are reviewed by representatives of the Douglas company. Screening currently is under way for 22 scholarships with a total value of \$17,500.

By Billie Robinson FA 8-7385

Wedding bells have tolled again. Rachel Lopez became the bride of Mario Chavez recently. Rachel made her home on 225th St. The couple plan to live in Riverbank. A reception followed the wedding for the 50 guests and then the couple spent a honeymoon in San Diego.

Don't forget that there will be a day camp at Normandale this summer. Any youngsters who would like to help with the girls and boys day camp on Thursdays from 10 a.m. to 4 p.m. or part of the day from June 28 through July 28 are asked to register with either Alice Dunbar or F. Hammit at Normandale. The camp is to be held for children from 7 to 12 years inclusive.

Children coming to be in a play, "The Coins of Lin Foo," should sign up with Miss Dunbar. The vacation matinee will be given at Banning Park, August 2 and at Normandale August 9. The matinee will include Rhythm Band, song and dances, which are being rehearsed now on Thursdays from 3:30 to 4:30.

The "body building" for women on Wednesdays at Normandale Playground at 10 a.m. needs more recruits.

Another lovely birthday party was held for Shirley Ann Armagost who celebrated her 7th birthday last Saturday. She had many of her friends in for ice cream and cake. Shirley lives at 1617 W. 224th St.

The Watson family is very happy this week. They are welcoming their two boys home. Lory Watson has just returned from Kentucky and Texas, where he was in the Army as a chemical engineer. Lory has made his home in Los Angeles. Jarvis, the younger boy, has just returned from college, and is making his home with his parents. After all this excitement, Mrs. Watson thinks she needs a rest. So she plans on making a trip to British Columbia in the near future.

Little Sandra Van Lue has had her share of bad luck and still has the courage of a king. Sandra entered the Sister Kenny Hospital at El Monte Tuesday. Three years ago she was stricken with multiple sclerosis. Her parents have faith that she will get better. Sandra is 10 years old and is cared for by her mother and grandmother. Sandra doesn't read any but my, she loves records. Anyone who would like to send or bring her records may do so. Her address is 1648 204th St. Or after June 19, you may send them to the Sister Kenny Hospital in El Monte.

The 186th Street PTA installed officers at their last regular meeting. Mrs. Herman Eisenbeis is the president and her cabinet is as follows: Mesdames Cuy Cels, first vice president; Floyd Beech, second vice president; Walter Stewart, secretary; William Turrentine, treasurer; Curtis Earles, auditor; and Hugh Adlan, historian. As a token of appreciation for the support and the help of her many board members, Mrs. Eisenbeis presented the PTA with two coffee servers and warmers. This will be the second term for Mrs. Eisenbeis.

Little Linda Miller, daughter of Mr. and Mrs. Floyd Miller, of 221st St., is being petted by spots before her eyes. Linda, who is seven months old, is ill with measles.

The regular meeting of the Shoestring Advisory Board was held last Tuesday evening at Normandale. Joe Goss brought us up to date, telling us the many improvements in the area. Our chairman, Thomas Murphy, was ill so Mrs. John Nelson led the meeting. Alice Dunbar told of some of the program for the summer at the playground. Send your children to the playground, or I should say bring your children as there is much entertainment for the adults, too.

Blend together 1 beaten egg, 1/4 cup milk, 1 tsp. salt, 1/2 tsp. pepper. Dip each piece of chicken into egg mixture—then into your favorite breading (flour, cornmeal, bread crumbs, cracker crumbs or crushed cornflakes). Place 1/2" of shortening or oil in large skillet. When grease is hot, place coated chicken pieces (meaty parts first) into skillet to brown, turning with tongs. When all pieces are brown, reduce heat, cover tightly and cook until meatless pieces are fork tender. (20-40 min.) Uncover the last 5-10 minutes to crisp the skin.
